

# More Power For PIM Members!

## Printing Industries of Michigan, Inc. Buying Power Program

**Printing Industries of Michigan, Inc., as one of the participating regional PIA Affiliated Associations, is pleased to offer an affordable<sup>1</sup> and simple<sup>2</sup> FSC® CoC certification option for qualifying<sup>3</sup> members.**

- Forest Stewardship Council™ Chain-of-Custody Certification can be a valuable tool for member firms looking to maintain or grow market share
- Chain-of-Custody certification provides an opportunity to streamline and review your internal processes
- Members of the RACG group certificate have access to the Rainforest Alliance Certified™ seal...the frog!
- Participating PIM members will have access to the most up to date CoC systems and experts in the field of certification.
- The group fee of \$1,695 saves members significant costs over individual certifications and provides easy to use templates and group assistance

**To enroll in the RACG group certificate contact: Nick Wagner at 248-946-5895 or [nick@print.org](mailto:nick@print.org)**

For additional questions about the program contact one of our RACG Group management team:

**Chris Gibbons**

(508) 804-4109

Printing Industries of Michigan Inc.

<sup>1</sup> Current yearly cost for participation is \$1695.

<sup>2</sup> Our group certificate is managed by American Green Consulting Group, LLC, a firm with many years of experience in FSC CoC certification. American Green Consulting has created a CoC system which is simple, straightforward, and easy to understand and implement.

<sup>3</sup> If you are a member of PINE, and your firm has less than five million dollars (\$5M) a year in gross annual wood product sales (as determined by our group management team), then the Regional Affiliate Certificate Group is an option.
